

PRESS RELEASE

155,000 Tenders in Month of September, 2008

TenderTiger.com India's #1 Tender Portal has tracked 155,000 Government Tenders from across the world out of which 90,000 Tenders are from across India in month of September, 2008. This has made TenderTiger.com India's # 1 Tender Portal in terms of Content. Because of its massive Tenders Data, it has managed to attract 3000+ New Users on the Portal in the month of September 2008.

This feat was made possible with augmentation of its Content Department across India, which has now more than 150 People working round the clock to ensure that Contractors & Suppliers from across the world get maximum Government Tenders only from TenderTiger.com.

In last 12 months TenderTiger.com has captured 1 Million Tender and this year it aims to capture 1.5 – 2.0 Million Tenders in next 12 months. To ensure that it gets more Global Feet it has launched operations in Sri Lanka & on the cards are Operations in Pakistan, Bangladesh, Dubai & South Africa. It also intends to forge Leading Tender Portals of each and every country, to ensure that customers of both the portals can benefit from the same.

TenderTiger.com is hosted & managed by eProcurement Technologies Pvt. Ltd. which is an ISO 27001 Certified eProcurement Company offering eProcurement, eSourcing, eTendering, eAuction, Reverse Auction, eRFQ solutions & services. It has successfully enabled eProcurement for Leading Corporates, PSU, Government Departments like ICICI Bank, BHEL, etc. procurement in tune of Rs.10,000 Cr (US\$ 2.5 Billions) last year as per all International & National Government Procurement Guidelines. EProcurement Solutions are offered under the brand www.abcProcure.com
